While we cannot provide full support to all browsers, we do our best to make sure that our Web sites and workflow tools work for as many customers as possible. CSC does this by analyzing monthly visitor traffic to our sites by Web browser. All new site features and bug reports are fully tested in these supported browsers to ensure compatibility. Current fully supported browsers are Firefox 3, Internet Explorer 7 and Internet Explorer 8. Older browsers with limited support are Firefox 2 and Internet Explorer 6. We strongly encourage users to update their browser software to the latest version.
